

weekly even, depending on the demand There is plenty of opportunity for new members to have an input into how the club will run and what sort of format it might follow. For the first meet existing members are bringing work they have produced over the summer to show and we will be discussing the work and techniques used to make it. Members are encouraged to share techniques and knowledge over a cup of tea or if we are feeling racy a glass of wine!

Very informal and friendly. If anyone would like to come please can they just turn up or call me on 07931 824110 for more info or look on the website - <http://www.sandiecamiilleri.wix.com/artlab>
